The Lenticular Pen from BAS

**BAS EXCLUSIVE**

Add some motion to your next promotion with the Animator Pen from BAS. Lenticular technology creates eye-catching energy that can't be ignored. Every movement of the pen is a revelation. Now you see it, now you see more!

Translucent plastic clip and coordinating rubber grip add color and interest to your design.

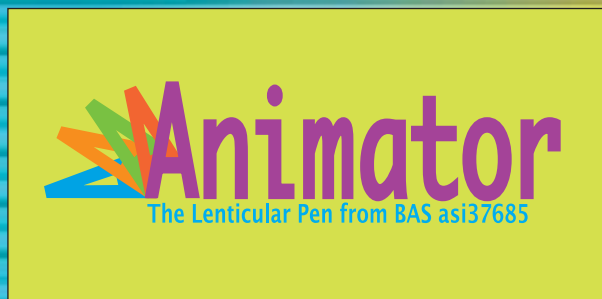

Wide-body barrel, comfort rubber grip, click action.

No extraordinary artwork required. Standard digital files are acceptable.

Lenticular label is nearly indestructible, for long lasting impact.

WE PUT IT IN WRITING

Patent Pending
